

QCItemPixmap::setPixmap

```
graph LR; A[QCItemPixmap::setPixmap] --> B[QCItemPixmap::pixmap]
```

A diagram showing a relationship between two Qt widget classes. On the left, a gray rectangular box contains the text 'QCItemPixmap::setPixmap'. A dark blue arrow points from the right side of this box to the right side of a white rectangular box on the right. This white box contains the text 'QCItemPixmap::pixmap'. Both boxes have a thin black border.

QCItemPixmap::pixmap
