

QCPCItemCurve::setPen

```
graph LR; A[QCPCItemCurve::setPen] --> B[QCPCItemCurve::pen]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text 'QCPCItemCurve::setPen'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'QCPCItemCurve::pen'. Both boxes have a black border.

QCPCItemCurve::pen
