

QCPRange::QCPRange

```
graph LR; A[QCPRange::QCPRange] --> B[QCPRange::normalize]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray fill and a black border, containing the text 'QCPRange::QCPRange'. The right box has a white fill and a black border, containing the text 'QCPRange::normalize'. A dark blue arrow points from the right side of the left box to the left side of the right box.

QCPRange::normalize
