

ffft::FFTReal::rescale

```
graph LR; A[QFourierVariableCalculator::rescale] --> B[ffft::FFTReal::rescale];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'ffft::FFTReal::rescale'. The box on the right is white and contains the text 'QFourierVariableCalculator::rescale'. A blue arrow points from the right box to the left box, indicating a function call or dependency.

QFourierVariableCalculator
::rescale
